**Emergency medical evacuation  
coverage for international travelers**

## Why Consider Travel Insurance?

When you and your family are traveling abroad, probably the last thing on your mind is your health insurance. But what would happen if you or one of your family members became ill or injured while away from home and the treatment you need isn't available nearby?

Most travelers assume that their standard medical plan will cover the services necessary to get you to the nearest medical facility. The truth is, while traditional plans may offer adequate domestic coverage, they may not be designed to provide this expensive service internationally.

What would you do if you needed to be evacuated to a qualified medical facility? How would you deal with the language and currency barriers? Who do you call? Imagine trying to call your insurance company or plan administrator at 3:00 a.m. from a foreign country during a medical emergency! Will they be there when you need them the most?

International Medical Group® (IMG®) has developed Sky Rescue<sup>SM</sup> to provide you and your family Coverage without Boundaries®.

### Sky Rescue<sup>SM</sup>

The Sky Rescue plan provides scheduled coverage for individuals under the age of 65 traveling outside their home country for a minimum of three months. The plan may be purchased for three months, six months or 12 months.

When you incur eligible medical expenses, the plan will provide benefits for Usual, Reasonable and Customary charges up to the limits outlined in the Schedule of Benefits on pages 3 and 4. Except for the Personal Liability Coverage, there will be no deductibles or coinsurance for this plan. In addition to the standard benefits, the primary insured person also has the option of purchasing enhanced Accidental Death and Dismemberment coverage.

## The Experienced Plan Administrator

Since 1990, International Medical Group has provided a unique, full-service approach to insurance coverage. Dedicated exclusively to the international insurance market, IMG provides coverage services to individuals and families in more than 150 countries.

Medical treatment while traveling is often an unfortunate fact of life. Our goal is to make the medical process a smooth and efficient one. IMG's multilingual claims administrators, on-site medical staff, and customer service professionals work together to give you true Global Peace of Mind®. IMG representatives are available 24 hours a day, seven days a week, 365 days a year for medical emergencies, evacuations and precertification. You can rest assured that IMG will be there for you whether it be for routine treatment or during a medical emergency.

### MyIMG<sup>SM</sup>

With this tool you have the ability to access the information you need to manage your account online 24 hours a day, seven days a week from anywhere in the world. You can check the status of your claims submissions, retrieve explanation of benefits, read announcements, obtain certificate documents, initiate precertification and search for physicians within the First Health Network (PPO) as well as through the International Provider Access<sup>SM</sup> (IPA), a database of over 8,600 facilities outside the United States!

### Akeso Care Management®

ACM® is a URAC accredited health care management company specializing in the complete spectrum of Medical Management Services. ACM offers a unique blend of service components and expertise in cost containment. Rather than work with a third party vendor in dealing with Emergency Medical Evacuation, Precertification, Disease Management, Medical Claims Auditing, Claim Rate Negotiations and Large Case Management, you will work directly with IMG's wholly-owned subsidiary, ACM, and receive the security you need, along with peace of mind.
